Neoss Integrate: Innovation and Long-Term Results

We are delighted to welcome you to Neoss Integrate on 2-3 October 2026 at the Conrad Hotel, Dubai, celebrating 25 years of Neoss. Over two days, an international community of clinicians and experts will engage in high-level scientific exchange, with 16 global speakers sharing evidence-based insights on long-term outcomes, reconstructive and augmentation techniques, digital surgery, and workflows. Set against Dubai's vibrant blend of modern innovation and rich cultural heritage, the meeting offers a unique opportunity to advance clinical excellence, integrate knowledge, and celebrate the evolution and future of implant dentistry.
